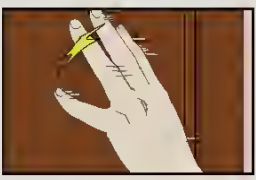
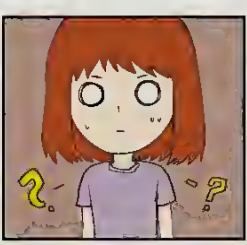
SFX GASP!

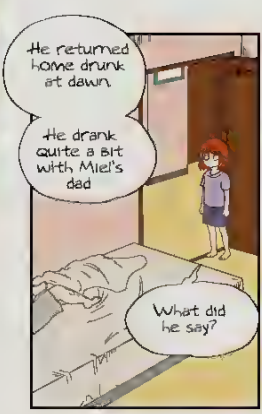
Mom! How's dad!?
He's in the room



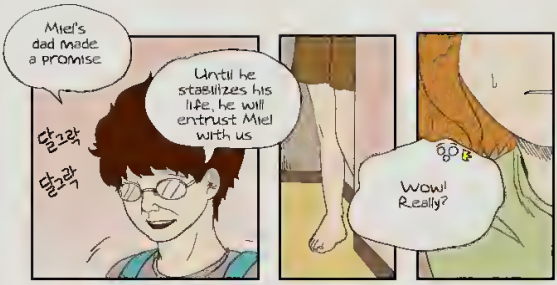
Dad! Was it alright!?
Last night how did it..

드르렁~ 피유~
드르렁~ 피유~





He returned home drunk at dawn
He drank quite a bit with Miel's dad
What did he say?



Miel's dad made a promise
Until he stabilizes his life, he will entrust Miel with us

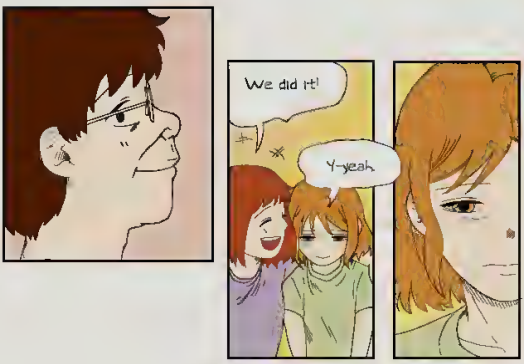
Wow! Really?

So don't worry
Miel-chan



We did it!
Y-yeah

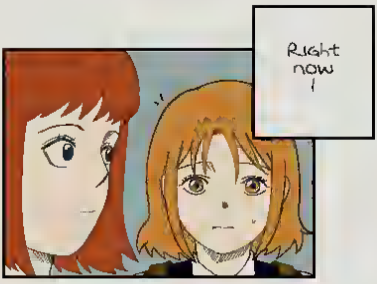
After that happened
My relationship with them worsened

But we are not in a fight or anything
뉘웨!

I no longer
have an interest in them.

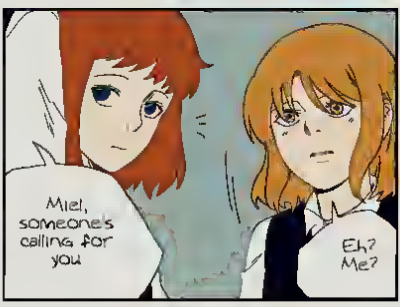
Our connection ended here.



Right now!

I have accepted things the way they are.

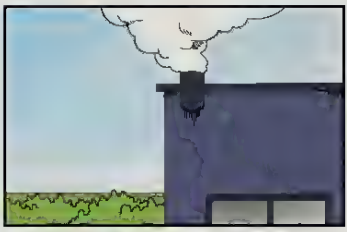
Also, right now
Before us is...



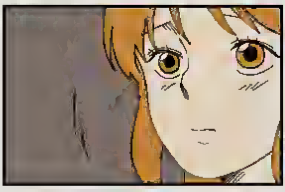
Miel, someone's calling for you
Eh? Me?

tsuji hi

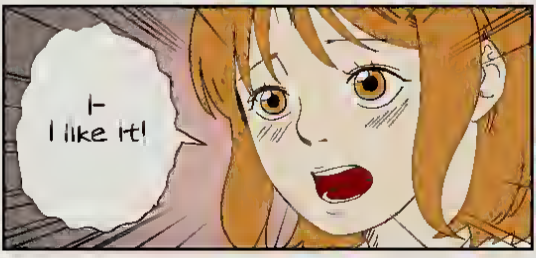
A new connection is starting



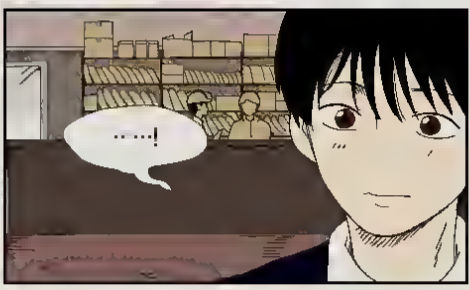
here



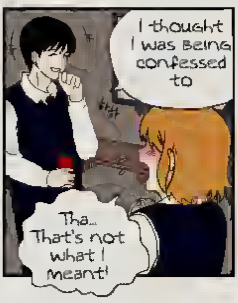
Do you like soda? I heard you do, so I bought it



I- I like it!



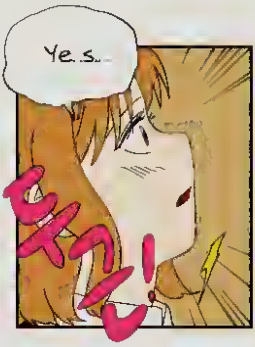
.....!



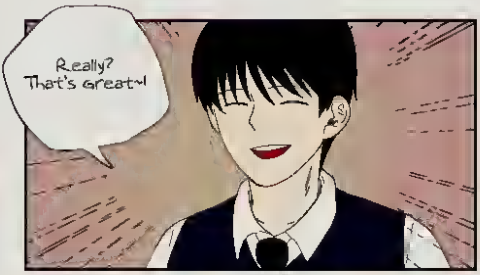
I thought I was being confessed to
Tha... That's not what I meant!

Drink it
Thank you very much...

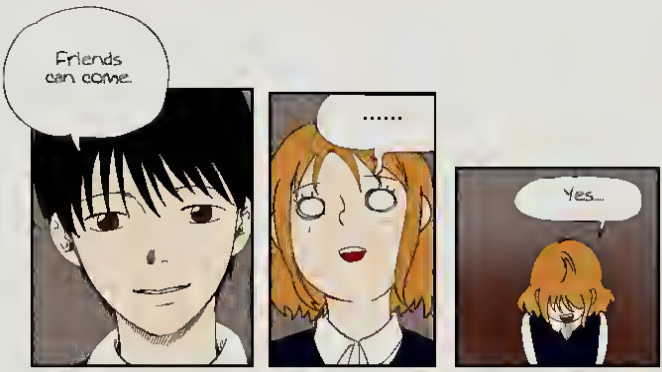
Uhm..what did you want to talk about?



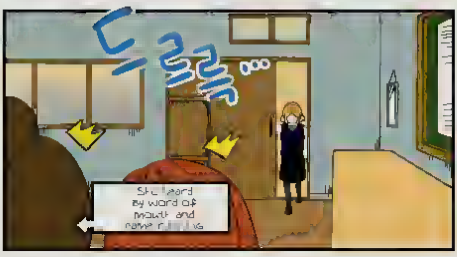
Suwan Anyway give the OK! To whatever he says!



It's Sora's birthday! I was thinking of having a party!

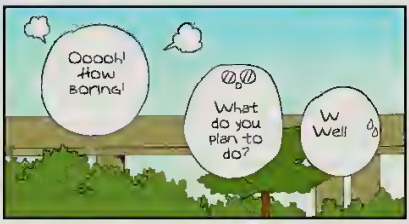


Friends can come.
.....
Yes...

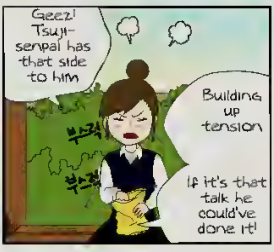


Stopped by word of mouth and never filling

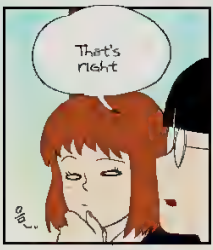
WERE YOU CONFESSED TO?
SO? SO?
.....
What are you guys doing on Sunday?



Ooooh! How boring!
What do you plan to do?
W Well



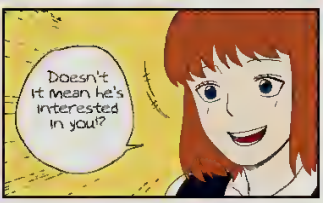
Geez! Tsuji-senpai has that side to him
부스럭
부스럭
Building up tension
If it's that talk he could've done it!



That's right
아니...

I'm fine.
I had weird expectations it was embarrassing
But think about it!
What it means to be called out in front of people to talk

M_Maybe_!?
푸쉬쉬.

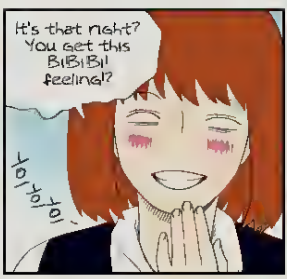


Doesn't it mean he's interested in you!?

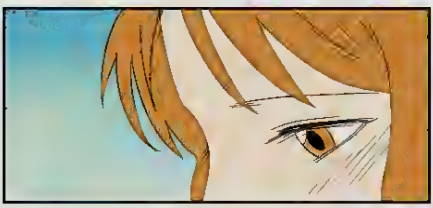
Cute~
으앙 함!
I've also had that at one point

Hey, when did you start liking Senpai?
During middle school, so..2nd year?

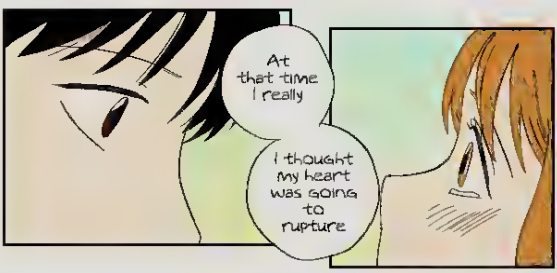
When I realized it, I came to like him.



It's that night? You get this BiBiBi feeling!?
두근두근



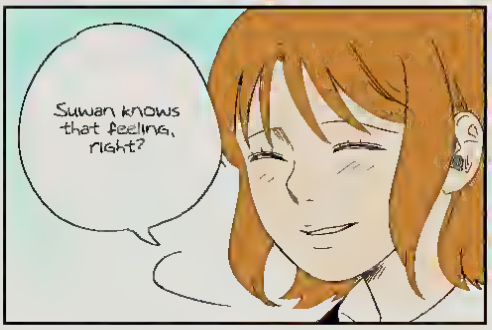
When we were standing right in front of each other, and our eyes first met



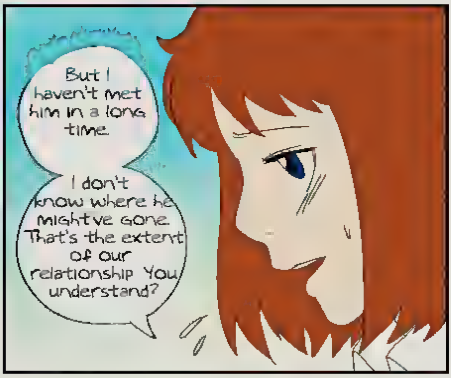
At that time I really
I thought my heart was going to rupture

That feeling

You can't put it into words..!



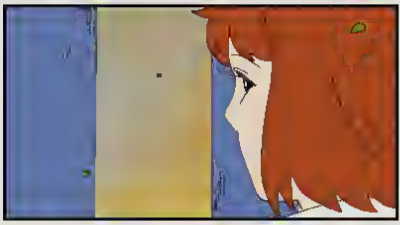
Suwan knows that feeling, right?

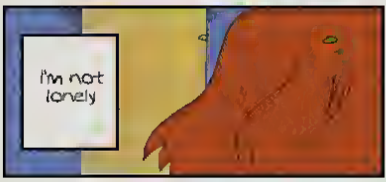


That person and I were nothing more than that

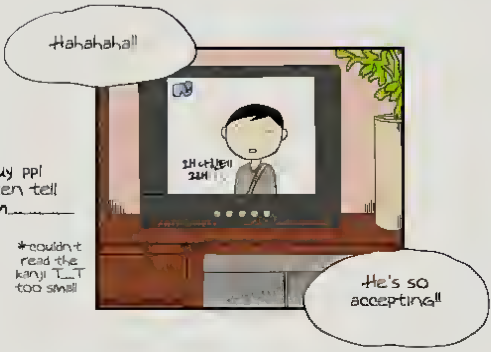
That's why

Even though he left without a word

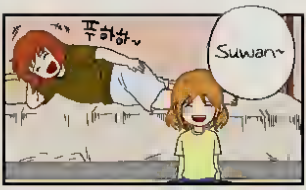




I'm not lonely



Hahahaha!!
Guy pp! often tell me I'm.....
*couldn't read the kanji T_T too small
He's so accepting!!

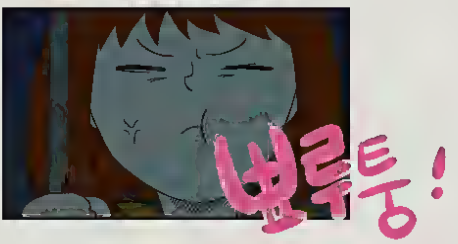


푸하하~
Suwan~

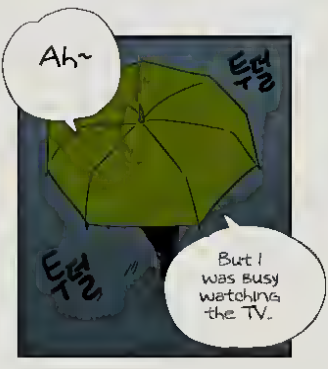
Can you go on an errand?

Buy oil and miso
It's raining. I don't wanna~
아~ 왜~
Even if it's dear you complain!
예뻐해줘서 고마워 하지마!

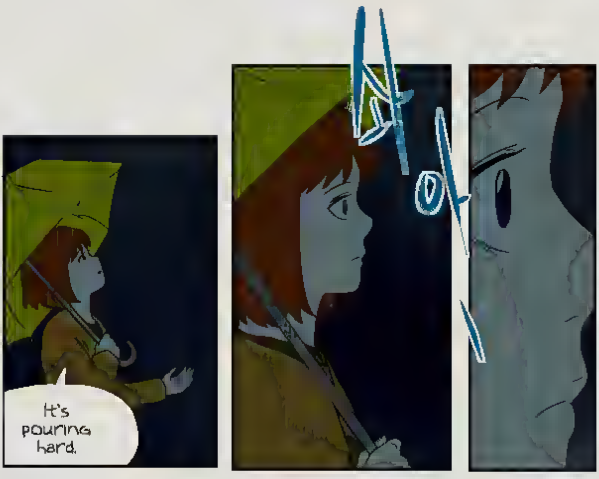
콰르릉..



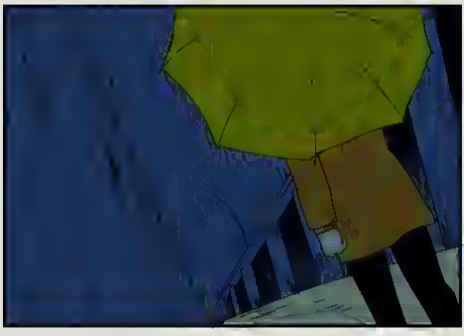
뽀록뚱!

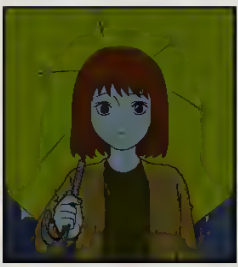


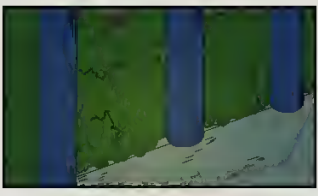
Ah~
투덜
투덜
But I was busy watching the TV.



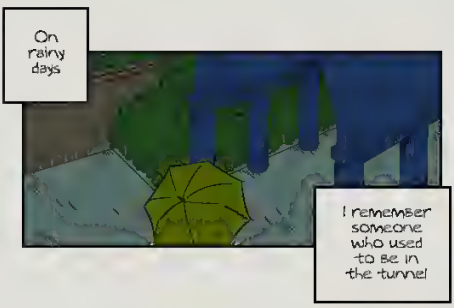
It's pouring hard.







Why

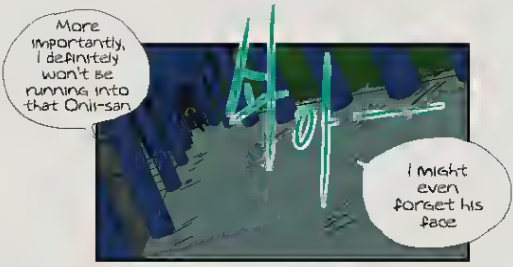


On rainy days
I remember someone who used to be in the tunnel

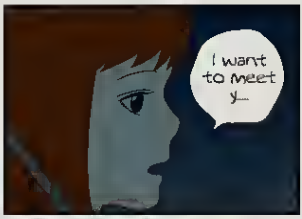
It's unclear
Though it's already a distant memory.

It's becoming misty

Hm



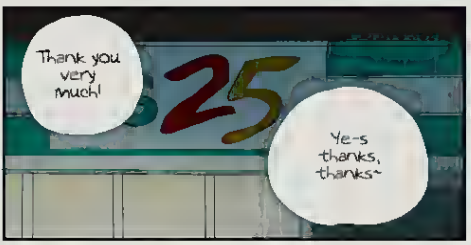
More importantly, I definitely won't be running into that Oni-san
I might even forget his face



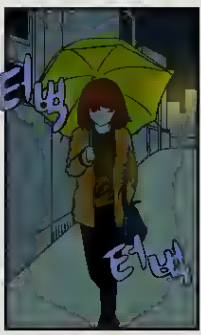
I want to meet y...

Usu!

My mouth! What are you saying!
Let's quickly buy the things and go home



Thank you very much!
Ye-s thanks, thanks~



터벅

Uwa, my socks are wet

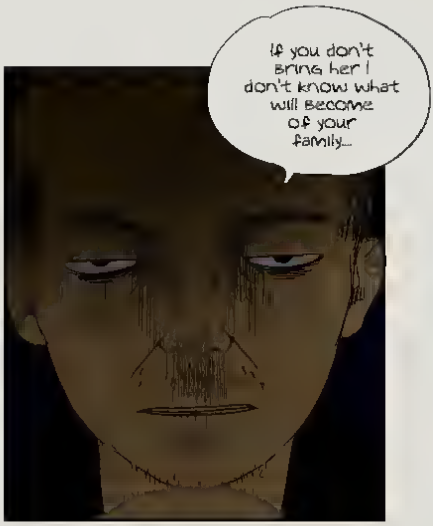
BRING MIEL!
NOW!

Let go of me!
What are you saying right now?
Didn't you make a promise with my dad!?



If you don't bring her I don't know what will become of your family...

싸아아아아아...
